01 | PROBLEM STATEMENT

What Problems Exist Today?

India mein aaj bhi ghar ki service lena ek bahut bada jhanjhat hai. Customers ko multiple apps/contacts dhundhne padte hain, koi ek reliable platform nahi hai. Saath hi, lakho skilled log unemployed hain kyunki unhe kaam dhundhne ka proper platform nahi mila.

Customer Problems

Alag-alag services ke liye alag-alag contacts ya apps dhundhne padte hain. Koi price transparency nahi, worker reliable hai ya nahi pata nahi chalta. Urgent kaam ho toh koi guaranteed solution nahi. Event organize karna ho toh decorator, caterer, photographer — sab alag jagah se arrange karne padte hain.

Worker / Unemployed Problems

Skilled log (electricians, plumbers, beauticians, chefs, IT graduates) ko regular kaam nahi milta. Koi platform nahi jo unhe verified aur trusted tarike se customers se connect kare. Women jo ghar baithe kaam karna chahti hain unke liye safe opportunities nahi hain. Daily wage workers ke paas irregular income hai.

Society-Level Problems

Urban areas mein unemployment badh raha hai. Skilled youth ka talent waste ho raha hai. Chote kaam ke liye bhi reliable help nahi milti. Local economy grow nahi kar pa rahi kyunki workers aur customers ka proper connection nahi hai.

ServeCircle — Ek Platform, Sab Kuch

ServeCircle ek all-in-one digital platform hai jo customers, workers, aur unemployed logon ko ek saath connect karta hai. Ghar ki repair se lekar events tak, cleaning se lekar employment tak — sab kuch ek jagah.

Customer Ke Liye

Ghar baithe koi bhi service book karo — real-time tracking, verified workers, transparent pricing, aur guaranteed quality. Ek hi platform se ghar ki repair, event planning, cleaning, vehicle service — sab kuch.

Worker Ke Liye

Register karo, free training lo, verified badge pao, aur regular kaam pao. Flexible — full-time ya part-time. Digital earnings track karo. Platform tumhe promote karega.

Unemployed Ke Liye

Naye skills seekho free tutorials se, pehle 5 jobs pe zero commission, experience certificate milega, aur ek respected career path milega.

Society Ke Liye

Local employment badhega, women empowerment hoga, NGO tie-ups se underprivileged ko opportunity milegi, aur local economy strong hogi.
